# Digital Car Loan

## Mobile App Journey (Customer POV)

1. The customer logs in to the HBL app then receives a pop-up notification offering the customer an opportunity to avail a car loan.

2. The customer can then select between applying for a new loan or track an existing application. In case of a new loan, customer will be able to select car's make, model, and color they're interested in.

3. The customer will then be prompted to select the equity participation and loan tenure. Insurance company and dealership will also be selected at this stage. After selecting everything, the customer will be provided with an overview of all details.

On the right, a 'Rule Validations' window is open, with the 'Check List' tab highlighted by a red box and a red arrow. The 'Check List' tab contains a filter bar 'Filter by name or code' and a list of items: 'Passport Size Photos' (Pending), 'TCO Slip / Misys Screen ...' (Pending), and 'Lease agreement' (Pending). Each item has an 'Upload Document' icon (a blue square with a white document icon) to its right.

13. Click on 'upload' to upload required documents and complete the check list.

This screenshot is similar to the previous one, showing the 'Rule Validations' window with the 'Check List' tab selected. A red box highlights the 'Upload Document' icon (a blue square with a white document icon) for the 'Lease agreement' item. A red arrow points to this icon. A tooltip labeled 'Upload Document' is visible next to the icon. The 'Check List' tab also shows the 'Passport Size Photos' and 'TCO Slip / Misys Screen ...' items, both marked as 'Pending'.
